**Cost-Saving Alternatives:**

**1. Accommodation:**

- Consider staying in a hostel or shared accommodation, which can reduce costs to around *60 per night, saving 120* over three nights.

**2. Food:**

- Opt for street food or local bistros for lunch and dinner, which can cut meal costs by about \$10-15 per meal.

**3. Attractions:**

- Look for city passes that offer discounted rates for multiple attractions. This can save around \$20-30.

**4. Transportation:**

- Purchase a multi-day public transport pass for unlimited travel, which can save on individual trip fares.

By implementing these cost-saving measures, you can comfortably fit your itinerary within the \$1000 budget while still enjoying the rich experiences Prague has to offer. Enjoy your trip!
